Mike,

Please review the word document attached to this email. I've revised it per OGC's suggestions and only left their consequential comments in the document. Let me know if you have any other suggestions. Maya is going to draft the intro part for this for your review but this document contains the technical answers.

Thanks.

Hi Eric,

How are you doing? I hope your surgery went well and you're on the road to recovery.

We've received a CMS letter from Rep. Debbie Mucarsel-Powell of Florida's 26th District. She is expressing scientific concerns that constituents in her community share regarding the Oxitec application for an experimental use permit.

She has quite a few questions. I've created a SharePoint document—do you think you could loop in the appropriate people who could help us answer these? This letter needs to be signed by Alex on 10/21. Please work with your team to answer these by EOD 10/15.

Thank you,

Maya Piper (*she/her/hers*)
